How Much does It Cost to Run for President with pictures
After the presidential nominees have been selected, the general election campaign starts and is financed through public funding. The cost to run for president in the general election can amount to at least $70 million USD, although the amount of money required can vary. It is possible that at some point in the future, all presidential candidates will run without taking any federal contributions. According to campaign finance experts, this change could push the cost to more than $500 million USD.
