The Family Crucible The Big Answer

There is interpersonal stress, in which the individuals of a family clash because of bad communication patterns, and intrapersonal stress, in which the person who experiences negative communications from family members (e.g., a verbally abusive father oppresses a son) continues to give himself the same kinds of negative communications internally, via negative self-talk.

The Family Crucible The Intense Experience of Family

In The Family Crucible, the story and information presented is anything but sleepy. I never would have chosen this book on my own, but am certainly glad it was assigned for my couples and family counseling course this term. I was drawn into the Brice family from the first page and had difficulty putting the book down.
